

HELP US MAXIMIZE IMPACT THIS MARCH

and help kids like Rockford

March Match Campaign

in support of OSNS & the OSNS Legacy Foundation

Over the past two years, the March Match Fundraising Campaign has raised an incredible \$77,922 for OSNS and the OSNS Legacy Foundation, thanks to the generosity of our matching donors and our community for their contributions. This has become one of our most impactful fundraisers of the year.

Help us continue making a difference to children, youth & families all across the South Okanagan by becoming our matching donor in March 2025.

How it works

1. **Set Your Match:** Your team decides the amount you'd like to match for donations to OSNS in March.
2. **Get Recognized:** We'll promote your company as our matching donor throughout the campaign.
3. **Contribute with Impact:** At the end of the campaign, we'll share the total donations raised, and you'll contribute your match amount.

Each March Match campaign is centered around a client story -- the story of a child & family who has been impacted by the work of the OSNS Child & Youth Development Centre.

How you will be recognized

1. **Prominent Branding:** Your logo will appear on all campaign marketing materials, including social media posts, e-newsletters, posters, and more. (1,873 newsletter subscribers, combined social media following of 3,412)
2. **Community Recognition:** Your business and generosity will be highlighted in press releases shared with local media outlets.
3. Check out examples from the 2023 & 2024 campaign on page 2.

How will your contribution make a difference?

Your support will up us:

- Increase and improve access to services
- Purchase medical equipment for children with support needs
- Provide support and education for children and families
- Provide sustainability for programs and initiatives that meet community need

**THANK YOU FOR YOUR
CONSIDERATION**

OSNS
Child & Youth Development Centre

"The team at OSNS are involved in every aspect of Rocky's life – connecting us to childcare, working with Supportive Child Development (that supports Rocky in his childcare setting), working on strategies at home and we meet regularly with the team to check in on his progress. One thing we have noticed is how family-centred OSNS is. They understand what the goals are for our family and for Rockford."

— Juliana & Gill

This March, help kids like Hudson and double the power of your generosity.
